Jesus (part 9)

Jesus' mighty deeds

It is very clear that the witness/life of Jesus has three interlocking elements:

- Words – Jesus proclaimed the kingdom/new reality
- Signs and wonders – Jesus demonstrated the miraculous as the normal expression of the kingdom of God

Deeds/actions – Jesus showed the heart of God by the way he treated the weak and by the way he challenged the powerful

This life, lived to demonstrate what God is like, to unleash the new reality of the kingdom of God, is the kind of life we are called to emulate....
