NAU MAI HAERE MAI KI ALL SAINTS WHARE KARAKIA
Welcome to All Saints Church. It is wonderful to see you here today.

PRAYER RHYTHMS: @ ALLSAINTS

Our busy culture can make it difficult to pray. We are often so busy that when we slow down to pray we find it uncomfortable. It feels as if we are wasting time and should just "get back to work". But praying doesn't offer us a less busy life it offers us a less busy heart. We gather to pray together because it ensure that we are praying and connecting with God's heartbeat for our family, our city and our nation. When we pray together we promote our spiritual growth. Choose a time from our regular schedule and join us this week:

ALL SAINTS PARISH UPDATE AND SGM

Our next Parish update and Special General Meeting is happening on Wednesday 15 July at 7.30pm. This will be an update on the goings on of Parish life and we have audited accounts to approve. There will also be an update on the consent process with the church building.

ST COLUMBA'S

Have resumed their usual meeting times and places. Every 1st and 3rd Sunday they have informal meetings in the hall and meet in the church for a communion service every 2nd and 4th Sunday.

GLOBAL RESPONSE CAMPAIGN

We've finally arrived at COVID-19 Alert Level 1, where we can now safely gather together. As blessed as we are, so many around the world are still reeling from the impacts of the pandemic. Our Global Response campaign is our diocese's way of giving from the abundance we have received to our brothers and sisters around the world who are struggling to attain the necessities of life amidst the pandemic, and our bishops have encouraged us to give generously even as we celebrate the freedom to gather safely here in Aotearoa. Bishop Justin and Bishop Eleanor encourage each of us to give generously. "In Aotearoa, many Anglicans have not lost their income, and some have even saved money during this period. I encourage you to get together in families, house churches and parishes and think creatively about how you can give into these places with great need. Every one of us can support these initiatives in prayer, and if you can give financially, I encourage you to give generously," says Bishop Justin. The four places that the Anglican Missions have chosen for this campaign are as follows:

FIJI

Our gift here will support grocery packs for vulnerable families and contribute to the investment, tools, seeds and seedlings so that each parish can have a tool shed from which members can borrow what they need to re-establish their source of income. Our brothers and sisters in Fiji are part of the Diocese of Polynesia within our own province. "Currently poverty is rife across the islands" says Bishop Henry Bull, Bishop of Vanua Levu and Taveuni Episcopal Unit in Fiji. Before COVID-19, most of his people, who are rural dwellers, were reliant on subsistence agriculture for their livelihoods. He says "we give thanks and pray for God's guidance and blessings on our three-tikanga church and its leadership."

KOLKATA, INDIA

Funds raised will help a three-stage process Anthony Watts and his business is involved in called Pay, Protect, Provide which they embarked upon in order to get through lockdown and support his employees. Pay, Protect, Provide is endeavouring to pay workers 100% of their income as they manufacture protective equipment to stop the spread of COVID-19 and providing 20,000 meals to people facing hunger. COVID-19 saw the whole country go into lockdown with only four hours' notice resulting in mass displacement and disruption. Anthon Watts tells us that over 122 million people lost their jobs in April alone.

LAST WEEK

COVID-19

global response

On top of all of this Cyclone Amphan hit in May causing widespread damage in eastern India. Anthony says “together these resilient communities are rising up again and putting their lives together, and we invite you to be a part of that with us”.

GAZA CITY

Al-Ahli Arab Anglican Hospital, in the centre of Gaza City, treats over 45,000 patients a year and is a haven of peace and hope in in the midst of one of the world’s most troubled

areas. Restrictions on movement and imports means the hospital is often without basic medicines and can struggle due to limited electricity, food, water, fuel and personnel. The hospital is now also facing the challenge of the spread of the Corona Virus. The lockdown has created a huge demand for treatment of patients who have been turned away from government funded hospitals. Funds donated will contribute to providing medical care for people in desperate need and enable the hospital to keep its doors open during the struggles and challenges of the COVID-19 crisis.

MOZAMBIQUE

“People are not afraid of dying of the pandemic, but of hunger. We receive petitions for food support but with limited funds we are unable to meet these requests” says Bishop Vicente of the Diocese of Niassa. Malnutrition and poverty were issues in the diocese prior to the pandemic, and now these issues are magnified. Access to medicine, food and fresh, clean water are all difficult, and are made even more difficult as the country is locked down to fight Coronavirus. Bishop Vicente intends to use the support we provide to them to provide more food support to those facing hunger, and is extremely grateful for our support in this time.

HOW TO DONATE

There are a couple of ways you can donate to this Campaign. To find out more and donate via credit card go to <https://angmissions.org.nz/global-response>. Or you could donate via online banking. Their details are:

- Account Name:** Anglican Missions Board
- Account Number:** 02 0585 0001796 00
- Particulars:** Name or organisation name
- Code:** which project you wish to support – or just put ‘all’
- Reference:** any other details

Please note receipts will not be issued for tax purposes as money is going overseas.

ARE YOU A DAB HAND IN THE KITCHEN? A MORNING TEA WHIZZ??

If you are then we need you! As the saying goes “many hands make light work” and everyone knows that a cuppa after the service is just the thing. However in order for this to happen we need lovely people to prepare and serve the coffee and tea. If we get enough people to help out it could be that you are only on once every two months. That’s only 6 times a year! If this sounds like something you would be happy to help out with please talk to Andrew in the office.

THANK YOU FROM THE I20 RESIDENCE

All of us at the i20 Residence are wanting to extend a HUGE thank you to all of our church family who have assisted us so much in settling into our new abode. We are so grateful for everything you have all done. A big shout out to the 5pm service who helped us out with a fridge, filled our pantry (can’t forget the toilet paper John!) and supplied us with delicious baking! We also acknowledge those who have prayed for our settling in, getting used to each other and this new experience. Thanks also to those who enquired after our well being and shown their support in a multitude of other ways. Thank you all so much. From Davis, Renee, Ben, Jesse, Te Ahu, Ruby, Uriah and Odette.

JULY IS BIBLE MONTH

Karen Hankin has a few extra Bibles about the house and wonders if anyone might need them! If you or someone you know does not have a Bible - please contact Karen Hankin. I have a few that I can give away. Also there is a Bible sale on at Mana. The team there can help you find the right one that suits you or your family.
