NAU MAI HAERE MAI KI ALL SAINTS WHARE KARAKIA
Welcome to All Saints Church. It is wonderful to see you here today.

INTERNS GRADUATION

On Sunday December 12 we have the Interns Graduation. Due to Covid 19 restrictions we are having to change how we were going to do this. If you are wanting to come along and support Pita and Josiah as they graduate year one of their internships please see Davis Sione or email him at davis@allsaintsnz.com.

Next year we are running our intern programme again. If you are looking for a challenge for 2022 and want to help with the growth and formation of a young person talk to Davis about being a mentor to one of our interns! We are also needing some people to billet (house) an intern for a formational year.

DATA

We are in great need for a handful of people to join our Data/Visual Team and now also our Video/Streaming Team as we have now ventured into offering Live Stream services.

Full training will be provided so don't let not having done it before stop you. We believe anyone 14 years and up would be able to do the Data/Visual role. It would require being able to focus and be tuned in to the whole service to change slides when needed.

If you or someone you know would be able to help out with this please get in touch with Steph or Andrew in the office, we would love to hear from you!

ALL SAINTS FOOD BANK

The All Saints Food bank is looking for some lovely edible Christmas goodies that we can share with our families in need. These do need to be items that will last until Christmas, so if you are baking a Christmas cake that is fine but please be mindful of timing if you are wanting to bake biscuits. Thank you to everyone who donates food to the Food Bank enabling us to help others in need. Your generosity is very much appreciated.

KITCHEN CROCKERY AMNESTY

A recent count of kitchen crockery has revealed a large number of dinner plates and cereal bowls have gone missing over the past 2 years. Please check your cupboards to see if any items from the All Saints kitchen may have found a home there. We are also missing several medium sized pots. If you have any 3 - 5 litre pots or larger that you no longer use and would be happy to donate to us we would be most grateful. Please note that we are not looking for small pots as they are dangerous to use on the gas fired rings of our stove top. If you do take home any of our kitchen equipment please return them promptly. Thank you.
